IN HER WORDS

MIYESHA

“ In my time at Pace, I was offered many opportunities including being on Girl’s Leadership Council, it was there that I learned to advocate for myself and for my fellow Pace sisters and showed me my future career path of entrepreneurship. Now that I have graduated from Pace, I have enrolled at Pensacola State College, and I am working towards my associate’s degree in business entrepreneurship with the hopes of running my own business! I could not have realized my own potential and self-worth if it wasn’t for the genuine love, care, and support of the staff at Pace.”

FROM OUR COMMUNITY

"I am so excited to be a new member on the Pace Center for Girls, Escambia-Santa Rosa board! A little over a year ago, I was invited to tour the Pace center by a friend who is on the board. I knew within 10 minutes of my visit that I needed to be involved with this amazing organization. I have a strong passion to inspire and support the young women in our community and believe Pace is the best place to do so!"
